The youth office of the Consell de Formentera unveiled details today about the Casal de Joves' December programming calendar. Starting things off at 5.00pm this Saturday, 7 December, is a calisthenics strength-building circuit and demonstration by Lenny Muller.

The Casal will host its Wednesday movie night on 11 December. Film fans are welcome to come cosy up on the couch and make themselves at home. Popcorn will be served. At 6.00pm on Thursday and Friday, the holiday programme already well under way, the Casal will be the scene of two Christmas decoration workshops. Head of the youth department Vanessa Parellada said this year's programme was about giving "the young people of Formentera more options for enjoying these important holidays".

Youth and holidays

Youngsters will be treated to a visit from the royal pages at schools Wednesday and Thursday, 18-19 December. A day later, Fridays for Future marches resume and so does the 4.00pm street dance demonstration in Sant Francesc's Plaça de la Constitució. On Saturday, 28 December, the Casal hosts a 6.00pm cooking workshop on buckwheat crêpes and homemade cacao cream.

Diverespai

Geared towards children and teens, Diverespai's mix of activities and bouncy toys has its yearly run in the Marc Ferrer High School gymnasium Saturday 14 December to Wednesday 18 December.

Diverespai will be open from 9.30am to 1.30pm and again from 4.00pm to 8.00pm (except on Wednesday, when closing time is 7.00pm). "We hope it's a hit", said Consellera Parellada. "For a lot of kids on the island, Diverespai is the part of Christmas they're most excited about".
