2020/2021

The Department of Culture and Education and Department of Commerce of the Consell de Formentera present the autumn and winter catalogue of adult courses and workshops. The covid-19 crisis, new sanitary and safety protocol and capacity restrictions mean a number of offerings —Teresa Matilla’s craft and painting clinic, Aaron Keydar’s woodcutting course and Silvia Jobani’s pottery workshop— will only be able to accommodate previously enrolled students.

Enrolment is still open for the **beginners’ course on digital photography** by Jose Antonio Arribas. Eight hours of instruction will be spread across two units, 23–28 November and 14–19 December. Classes will blend theory with hands-on learning so students can learn a range of photo techniques inside the classroom and out. This course is for anyone who wants to get the most out of their camera or to dive deep into an array of photographic disciplines. Tuition is €60, with a 30% reduction available for students under 30 and retirees.
